

Wildfire Bio

Since 2008, Wildfire has lived tirelessly up to their name, igniting dance floors, nightclubs, cabarets, and festivals all over Saskatchewan.

From regular appearances at Regina's Pump Roadhouse and Eldorado Country Rock Bar, to lighting up the stage at the Craven Country Jamboree, Country Thunder, and Grey Cup festivals, their choice blend of country/rock party music includes artists from Miranda Lambert and Taylor Swift, to Eric Church and AC/DC.

Fronted by the relentless energy of singer/songwriter Melissa Mannett, Wildfire is backed by veteran guitar-slayer Brad Papp, rocksteady TJ Silljer on bass, and beat-master Martin Blonski on drums. Together, their reputation for dynamic, no-holds-barred performances, lead them to play events alongside artists like The Road Hammers, Gord Bamford, Jason Blaine, Collective Soul, 54-40, Aaron Pritchett, Sam Roberts, and The Trews.
